Project Title: In-Person Mitigating Unconscious Bias Training at Embassy Nouakchott

Purpose: Design two in-person training sessions to reinforce the online course PT144 Mitigating Unconscious Bias for Embassy Nouakchott desk employees and introduce the topic to non-desk employees. Train four to six Locally Engaged (LE) Staff to facilitate the sessions. Support LES in delivering 20 two-hour sessions for Embassy staff.

Objectives:

- Enhance training participant understanding of unconscious bias
- Increase training participants ability to recognize unconscious bias in the workplace
- Training participants identify of how they can mitigate unconscious bias in their work

Tasks:

Kick-off: The Consultant will complete an in-brief with the Embassy Nouakchott Human Resources Officer to review the SOW and receive access to required materials and points of contact, including the names and contact information of the four to six identified LE Staff trainers. The Consultant will gather additional information on the Embassy’s training needs and opportunities for success.

Design: The Consultant will review the Department of State (DoS) PT144 Mitigating Unconscious Bias course. Based on the content of this course, the Consultant will develop three training plans and related materials:

1. A two-hour training session for Embassy Nouakchott desk employees who have taken the PT144 Mitigating Unconscious Bias course
2. A two-hour training session for Embassy Nouakchott non-desk employees who have not previously taken a mitigating unconscious bias course
3. A two-day training for LES trainers to include effective training methods for adults, facilitation best practices, the content of the two training designs, and a workshop for practicing and improving the delivery of the two training sessions

Each of the training plans should define the purpose and objectives of the training, delivery methods, a proposed schedule, slides, other visual aids, and how learning will be measured.

Training of Trainers: The training of trainers will take place in an Embassy Nouakchott conference room over two workdays during normally scheduled work hours.

Training Facilitation and Trainer Support: The Consultant will support the trainers in delivering 20 two-hour training sessions to Embassy employees. The Consultant may choose to lead the facilitation of the initial training sessions as part of the capacity development of the trainers and then transition the facilitation responsibilities to the LE Staff trainers. The training of

trainers will take place in an Embassy Nouakchott conference room over two workdays during normally scheduled work hours.

The session materials should be presented in local languages, such as French and/or Arabic, in addition to English. The LE Staff trainers will be responsible for translating the slides, visual aids, and any materials that will be distributed during the training. Some sessions for desk employees may be delivered in English, while non-desk employee sessions should prioritize local languages.

Evaluation: The Consultant will gather data that measures participant learning in each of the three trainings (trainer of trainers, desk employees, non-desk employees) and present finding and recommendations for future sessions to the Human Resources Officer.

Deliverables:

Three training plans and materials

Participant attendance sheets from all training sessions

Evaluation report

Schedule:

The project will be completed in April and/or May 2023. Exact dates will be coordinated with the Human Resources Officer.

Budget and Payment Schedule

The Consultant’s proposal budget should include no more than 15 days level of effort for the project.

- (5) Furnishing information about whether any person is a member of, has made contributions to, or is otherwise associated with or involved in the activities of any charitable or fraternal organization which supports the State of Israel; and,
- (6) Paying, honoring, confirming, or otherwise implementing a letter of credit which contains any condition or requirement against doing business with the State of Israel.

- (6) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.
